## Description:

BASIC We Are Church: A Follower's Guide is a nine-session book that features two sessions of study on each of the following films: BASIC Fellowship, BASIC Teaching, BASIC Prayer, and BASIC Communion, with a final session that wraps up the study of the practices of the church. Note: This book is for use by individuals in a small group setting as they go through BASIC We Are Church: A Small Group Experience, the interactive, DVD-driven study.

Really enjoyed this study. It walked me back and forward in understanding the implications, weight, and expectations of being a follower of Jesus Christ. A balance of a reverent, and a familial relationship with God in pursuing partnering with JESUS IN his mission, and continuing the development of my personal faith and walk with God. The segment on the Holy Spirit was probably the highlight of the first three parts. The videos that accompany the study can be a bit abstract, but do help in conveying the message.
